

Aster in Wisconsin

1. *Aster borealis* (Torr. & A.Gray) Prov. [northern bog aster, rush aster]

= *Aster laxifolius* Lindl. var. *borealis* Torr. & A.Gray
= *Symphotrichum boreale* (Torr. & A.Gray) A.Love & D.Love

2. *Aster ciliolatus* Lindl. [Lindley's aster, northern heart-leaved aster]

= *Aster lindleyanus* Torr. & A.Gray
= *Symphotrichum ciliolatum* (Lindl.) A.Love & D.Love

3. *Aster cordifolius* L. [common blue heart-leaved aster, common blue wood aster]

= *Aster finkii* Rydb. var. *moratus* Shinnars
= *Symphotrichum cordifolium* (L.) G.L.Nesom

4. *Aster drummondii* Lindl. [Drummond's aster, hairy heart-leaved aster]

= *Aster sagittifolius* Wedem. ex Willd. var. *drummondii* (Lindl.) Shinnars
= *Symphotrichum drummondii* (Lindl.) G.L.Nesom

5. *Aster dumosus* L. *SC [bushy aster, long-stalked aster, rice-button aster]

= *Symphotrichum dumosum* (L.) G.L.Nesom

6. *Aster ericoides* L. [heath aster, squarrose white aster, white prairie aster]

= *Symphotrichum ericoides* (L.) G.L.Nesom

7. *Aster falcatus* Lindl. [cluster aster, white prairie aster]

= *Symphotrichum falcatum* (Lindl.) G.L.Nesom

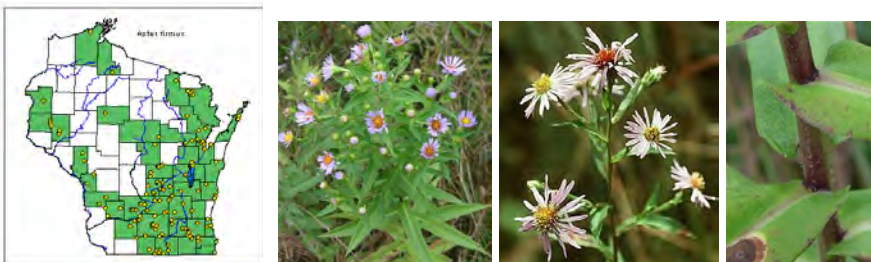

8. *Aster firmus* Nees [shining aster, shiny-leaved aster]

= *Aster lucidulus* (A.Gray) Wiegand

= *Aster puniceus* L. subsp. *firmus* [in Michigan Flora]

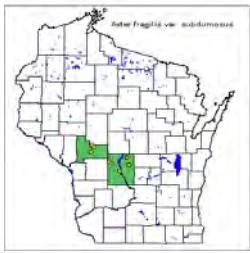

= *Symphotrichum firmum* (Nees) G.L.Nesom

9. *Aster fragilis* Willd. *SC [**fragile-stem aster**]

= *Aster racemosus* Elliot [small-headed aster] [in Gleason & Cronquist]

= *Symphotrichum racemosum* (Elliott) G.L.Nesom var. *subdumosum* (Wiegand) G.L.Nesom

10. *Aster furcatus* E.S.Burgess *T [**forked aster, midwestern white heart-leaved aster**]

= *Eurybia furcata* (E.S.Burgess) G.L.Nesom

11. *Aster hesperius* A.Gray [**Western lined aster**]

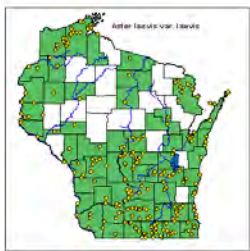

= *Aster lanceolatus* Willd. subsp. *hesperius*

= *Symphotrichum lanceolatum* (Willd.) G.L.Nesom

12. *Aster laevis* L. [**smooth aster, smooth blue aster**]

= *Symphotrichum laeve* (L.) A.Love & D.Love

13. *Aster lanceolatus* Willd. [eastern lined aster, paniced aster, white panicle aster]

- = *Aster paniculatus* Lam.
- = *Aster simplex* Willd.
- = *Symphotrichum lanceolatum* (Willd.) G.L.Nesom

14. *Aster lateriflorus* (L.) Britton [calico aster, goblet aster, side-flowering aster]

- = *Symphotrichum lateriflorum* (L.) A.Love & D.Love

15. *Aster linariifolius* L. [flax-leaved aster, stiff aster]

- = *Ionactis linariifolia* (L.) Greene

16. *Aster longifolius* Lam. *SC [long-leaved aster, long-leaved blue aster]

- = *Symphotrichum longifolium* (Lam.) G.L.Nesom
- = *Symphotrichum novi-belgii* (L.) G.L.Nesom

17. *Aster macrophyllus* L. [big-leaved aster, large-leaved aster]

= *Eurbia macrophylla* (L.) Cass.

18. *Aster modestus* Lindl. [northwestern sticky aster]

= *Canadanthus modestus* (Lindl.) G.L.Nesom

= *Weberaster modestus* (Lindl.) A.Love & D.Love

19. *Aster novae-angliae* L. [New England aster]

= *Symphotrichum novae-angliae* (L.) G.L.Nesom

20. *Aster oblongifolius* Nutt. [aromatic aster]

= *Symphotrichum oblongifolium* (Nutt.) G.L.Nesom

21. *Aster ontarionis* Wiegand [bottomland aster, Ontario aster]

= *Symphyotrichum ontarione* (Wiegand) G.L.Nesom

22. *Aster oolentangiensis* Riddell [azure aster, prairie heart-leaved aster, sky-blue aster]

= *Aster azureus* Lindl.

= *Symphyotrichum oolentagiense* (Riddell) G.L.Nesom

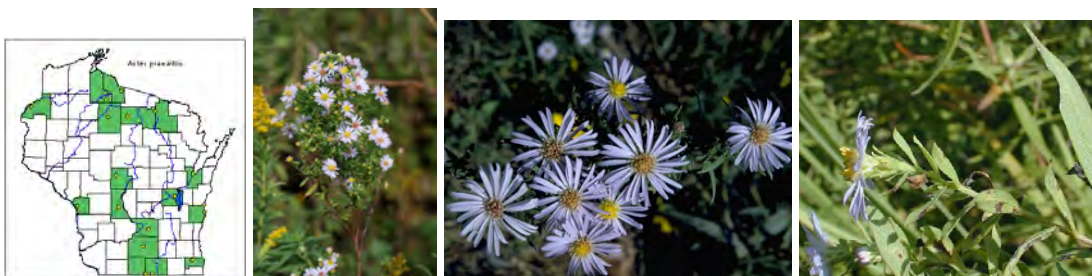

23. *Aster pilosus* Willd. [awl aster, frost aster, hairy aster, white old-field aster]

= *Symphyotrichum pilosum* (Willd.) G.L.Nesom

24. *Aster praealtus* Poir. [veiny lined aster, willow aster, willow-leaved aster]

= *Symphyotrichum praealtum* (Poir.) G.L.Nesom

25. *Aster prenanthoides* Muhl. ex Willd. [crooked aster, crooked-stem aster, zigzag aster]

= *Symphyotrichum prenanthoides* (Muhl. ex Willd.) G.L.Nesom

26. *Aster puniceus* L. [bristly aster, purple-stem aster, swamp aster]

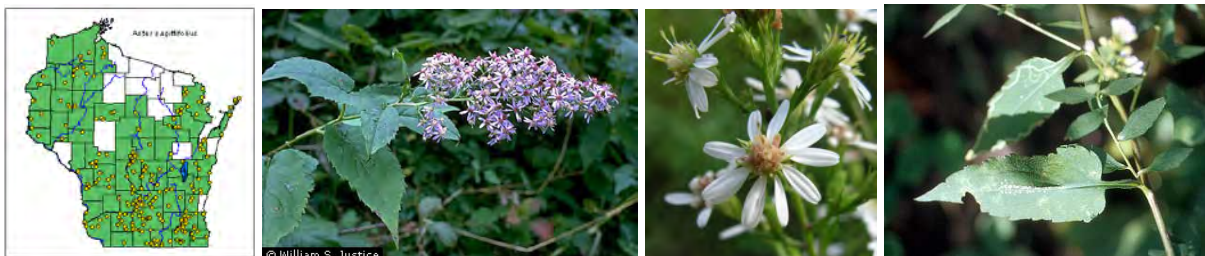

= *Symphyotrichum puniceum* (L.) A.Love & D.Love

27. *Aster sagittifolius* Wedem. ex Willd. [arrow-leaved white aster]

= *Aster urophyllus* Lindl.

= *Symphyotrichum urophyllum* (Lindl.) G.L.Nesom

28. *Aster sericeus* Vent. [silky aster, western silvery aster]

= *Symphyotrichum sericeum* (Vent.) G.L.Nesom

29. *Aster shortii* Lindl. [Midwestern blue heart-leaved aster, Short's aster]

= *Symphotrichum shortii* (Lindl.) G.L.Nesom

30. *Aster umbellatus* Mill. [flat-top aster, parasol aster, tall flat-topped white aster]

= *Doellingeria umbellata* (Mill.) Nees

31. *Brachyactis ciliata* (Ledeb.) Ledeb. subsp. *angusta* [alkali rayless aster]

= *Aster angustus* (Lindl.) Torr. & A.Gray

= *Aster brachyactis* S.F.Blake [in Gleason & Cronquist, Michigan Flora]
